

The 2010 eTwinning Prize Winners

AGE CATEGORY WINNERS

- **Age category 4-11:**

- [Colours of Life - common story written by children](#)

- Ewa Kurzak, Przedszkole Publiczne nr 5 w Głogowie (PL)
 - Miriam Schembri, St. Thomas More College, Fgura Primary A (MT)

Jury Comment: Excellent use of various methods for cooperation in a group of very small children from kindergarten. It showed a high degree of cooperation between teachers to plan their work together.

- **Age category 12-15:**

- [50 easy things you can do to save the Earth](#)

- Florenci Sales Vilalta, IES Sòl-de-Riu (ES)
 - Nelly Vicheva, Secondary School of Economics "Georgy S. Rakovsky" (BG)
 - Remei Ibáñez Alcocer, IES Sòl-de-Riu (ES)

Jury Comment: This project managed to turn a depressing and complicated topic into an inspiring search and study into our environment. The pupils and teachers from different countries actually worked together and created a wonderful web-magazine and videos that could be used as learning material. This project can serve as a good model for any eTwinning project.

- **Age category 16-19:**

- [LED - Learning and Teaching Furniture Design in Europe](#)

- Gabriela Bodiková, Stredná odborná škola drevárska (SK)
 - Rahel Böhlke, Marcel-Breuer-schule berlin (DE)

Jury Comment: This project has an outstanding combination of learning and teaching strategies. There is a well-structured plan from aims to evaluation and all these reflect on the practical results. The ICT help to develop modules and exercises for learning and teaching furniture design in a vocational and intercultural context.

SPECIAL CATEGORY WINNERS

- **Maths and science** (prize sponsored by [European Schoolnet](#))

- [Magic but real experiments](#)

- Alexandre Costa, Escola Secundária de Loulé (PT)
